Statement of Turkey – EC Customs Union Joint Committee on the implementation of Article 1 of Decision 1/2006

Having regard to article 1 of Decision 1/2006 and article 52 of Decision 1/95 of Turkey – EC Association Council,

Taking into account that the authorised representatives established in the Community have the same rights and obligations as those established in Turkey, the Customs Union Joint Committee recognizes that the Turkish legislation takes over the community acquis and that Turkey has put into force the provisions of the Community instruments necessary for the elimination of technical barriers to trade in the products covered by the following directives:

For the three following Directives, it is also understood that the designation of an authorised representative in Turkey or in the Community is mandatory and that these are therefore aligned with the EC legislation.

The Customs Union Joint Committee therefore recommends the full implementation of Article 9 of Decision 1/95, including the principle of mutual recognition of the rights of the authorised representatives.
